

**THIRD CALL
INTALENT PROGRAMME 2018**

Final list of successful candidates and reserve candidates

University of A Coruña published on May 3rd, 2018, a call for the recruitment of two researchers, under the agreement signed on October 17th, 2016, between UDC and Inditex, for the implementation and execution of the InTalent Programme.

Once the provisional list of successful candidates and reserve candidates has been published on November 14th, 2018, I hereby decide to publish the **final list of successful candidates and reserve candidates**, which can be found in the Appendix.

A Coruña, 11 January 2019

UDC President

The English translation of this document will be for reference purposes only. The main documents will correspond to the versions in Galician and Spanish found on the official message board of the UDC Online Services page (https://sede.udc.gal/services/electronic_board).
